El Toro Fleet Report

Our first Club Invitational was held on May 31st with 14 Toros on the line. We had 3 junior and 4 senior guests join our Fleet for the Regatta. The winds were light for the first race, but then picked up for numbers 2 and 3. I want to thank Gwen and Ron Locke and my wife Kathy for helping me with the Race Committee duties and to thank Helga and Hans Wolff for getting the Barbeque supplies and setting things up, and to thank John Pacholski for helping and cooking burgers, and to the rest of the Toro Fleet that was at the Lake and

pitched in where needed.

The next dates to remember are: June 21st - Fleet meeting at the Lockes and June 29th for Summer Series Races 1, 2, and 3. The El Toros have Race Committee responsibilities again on that day and Nancy Tucker, Helga and Hans Wolff, and John Pacholski have volunteered to run the races. See you at the Lockes on June 21st.

Lido Fleet report

L¹⁴ It is rewarding to hear that despite your fleet captain's absence, there was a nice turnout on May 31st for the 7-8-9 BBQ series! It makes me feel like the kid stuck inside the house while all his friends can be seen through the living room window, outside having fun. What is really encouraging are the "new" Lido kids "on the block" (in the fleet) such as Jim Mackey and Steve Klotz, out showing many of the others how to sail and be competitive. Notice I didn't say "everybody" because just this past weekend I got to feeling good so Karen and I went down to the pond just to walk around, and what did I see, but a lone Lido out on the water, with someone obviously really having a great time just putting the boat through it's paces. If the boat were an airplane, it would have been doing loops, rolls, and hammerheads. I could not quite make out the sail # without my glasses, but there was at least ONE person out having a great time. Thinking of great sailing, keep in mind that June 29th will be FSC 1-2-3, the first of the summer series. Also, June 28th is the day that the sailing class needs extra Lido's for students to sail. This could be a rewarding time for all, and perhaps a way to grab a prospective

crew person for the next day's event (and possibly a new club member). July 12th and 13th will be the High Sierra regatta (Huntington Lake).

JULY 19TH WILL BE A FLEET MEETING AT THE JOE DAVIS HOME FOR HARLEY SAILORS. It just sounded neat, but I know for a fact that if Shock made a Harley Davidson edition Lido, Captain Davis would probably be sailing it. Have you ever noticed that most all the Lido's are made with colors in the pastel range? I haven't seen ANY orange/black Lido's.

The calendar we started in January listed June 22 as a day of picnic and sailing at the Quarry Lakes park. I will be calling everyone to see if that is still a viable date for some casual sailing, and there's still the casual Wednesday eve series at Shoreline Park in Mountain View for those who can get there by 6 pm.

Catch my wake.....Chuck
